

Riddle #3

Immigration

Ida Nudel

The player holding Ida Nudel's mask puts it on and reads out the following excerpt

My name is Ida Nudel and I was born in Russia in 1931. I kept requesting to be allowed to immigrate to the Land of Israel, but the authorities denied me that right time and time again. I did all I could to help "Prisoners of Zion" – Jews imprisoned in Russia due to their Zionist activities – until I, too, was sent to a prison in Siberia, where I endured great suffering. In 1987 my dream finally came true, and I was able to make aliya to Israel.

As you well know, Israel is a country that takes in immigrants from all over the world. Do you know in which country each one of the leaders was born? [You may use Wikipedia to help you.]
