Education  
Division  
KKL-JNF

My vision:

"The roots of education are bitter, but its fruits are sweet."  
(Aristotle)

The Vision - JNF will lead and strengthen the connection between the People and its Land through value-centered education and cultivating practical leadership in Israel and the Diaspora.

"No human being is wealthy or powerful enough to transplant a nation from one habitation to another. An idea alone can achieve that and this idea of a State may have the requisite power to do so. The Jews have dreamt this kingly dream all through the long nights of their history. 'Next year in Jerusalem' is our old phrase. It is now a question of showing that the dream can be converted into a living reality."

(Theodor Herzl)

"Be the change you want to see in the world."

(Mahatma Gandhi)

My Dream:

An idea I had:

"Leadership is not issuing orders. It is the ability to center oneself in reality and to ask the most penetrating questions."

(Shimon Peres)

"The society we dreamed of building is one for which all its members - secular and religious, Arabs and Jews, old time residents and new immigrants - are mutually responsible. Honorable guests, the mettle of a society that fights for its existence and, on the other hand, aims to achieve partnership, tolerance and equality is tested here in Israel."

(From the inauguration speech of the President of Israel, Reuven Rivlin)

"The State of Israel will be open for Jewish immigration and for the Ingathering of the Exiles; it will foster the development of the country for the benefit of all its inhabitants; it will be based on freedom, justice and peace as envisaged by the prophets of Israel; it will ensure complete equality of social and political rights to all its inhabitants irrespective of religion, race or sex; it will guarantee freedom of religion, conscience, language, education and culture; it will safeguard the Holy Places of all religions; and it will be faithful to the principles of the Charter of the United Nations."

(From the Declaration of Independence)

"I must follow the people. Am I not their leader?"

(Benjamin Disraeli)
