"Leadership and Learning are
indispensable to each other."
(JF Kennedy)

An idea I had:

"The roots of
education are
bitter, but its
fruits are sweet."
(Aristotle)

My tomorrow:

"If you will it, it is no dream.
If you do not will it, then all I
have told you is merely a dream,
and will always remain nothing
but a dream."
(Benjamin Ze'ev Herzl)

"The only thing worse than
being blind is being with-
out a vision."
(Helen Keller)

The Vision - JNF will lead and
strengthen the connection between
the People and its Land through
value-centered education and
cultivating practical leadership in
Israel and the Diaspora.

"No human being is wealthy or powerful enough to
transplant a nation from one habitation to
another. An idea alone can achieve that and this
idea of a State may have the requisite power to do
so. The Jews have dreamt this kingly dream all
through the long nights of their history. 'Next
year in Jerusalem' is our old phrase. It is now a
question of showing that the dream can be
converted into a living reality."
(Theodor Herzl)

"A leader takes people
where they want to go.
A great leader takes
people where they don't
necessarily want to go,
but ought to be."
(Rosalynn Carter)

"Be the change you want
to see in the world."
(Mahatma Gandhi)

My vision:

"Don't simply accept the existing
consensus, on the societal or on any
other level. Society needs to know
change. A society or a state that does
not change, withers. Reality is not
what it was fifty years ago. If
something must unite youth, it is
rebellion against consensus. Not
rebellion for the sake of rebellion,
but rebellion for the sake of change.
Fulfill that which is worthy to
actualize. Change that which
requires change for there is much
that needs to be changed."
(Yitzhak Rabin)

"The society we dreamed of building
is one for which all its members -
secular and religious, Arabs and
Jews, old time residents and new
immigrants - are mutually
responsible. Honorable guests, the
mettle of a society that fights for
its existence and, on the other hand,
aims to achieve partnership,
tolerance and equality is tested
here in Israel."
(From the inauguration speech of the
President of Israel, Reuven Rivlin)

"I must follow
the people.
Am I not their
leader?"
(Benjamin Disraeli)

"Exercising leadership is an
expression of your aliveness...
but when you cover yourself
up, you risk losing something
as well. In the struggle to save
yourself, you can give up too
many of those qualities that
are the essence of being alive,
like innocence, curiosity, and
compassion."
(Ronald A. Heifetz)

"Imagination is not only
the uniquely human capaci-
ty to envision that which
is not...In its arguably
most transformative and
revelatory capacity, it is
the power that enables us
to empathize with humans
whose experiences we have
never shared."
(J. K. Rowling)

"... My associates and I make
no distinctions between
one man and another. We do
not ask to what race or
religion a man belongs. If
he is a man, that is enough
for us."
(Theodor Herzl)

"leadership is not
issuing orders. It
is the ability to
center oneself in
reality and to ask
the most penetrating
questions."
(Shimon Peres)

"It is not truly important to decide at a
young age what one will do when he or
she grows up. It is much more important
to decide on a way of life. If you are
honest with yourself, and honest with
your friends, if you take part in good
struggles for the sake of others, and not
just for yourself, I think this is enough.
And perhaps, what you end up doing, is
actually less important."
(Golda Meir)

My vision:

"Whatever
you are, be
a good one."
(Abraham Lincoln)

An idea I had:

"Freedom is not
simply being freed
from personal
chains, but is
living in a manner
that respects and
strengthens the
freedom of others."
(Nelson Mandela)

My tomorrow:

"The only
thing to fear,
is fear itself."
(Franklin D. Roosevelt)

"The State of Israel will be open for
Jewish immigration and for the
Ingathering of the Exiles; it will
foster the development of the country
for the benefit of all its inhabitants;
it will be based on freedom, justice
and peace as envisaged by the prophets
of Israel; it will ensure complete
equality of social and political
rights to all its inhabitants
irrespective of religion, race or sex;
it will guarantee freedom of religion,
conscience, language, education and
culture; it will safeguard the Holy
Places of all religions; and it will be
faithful to the principles of the
Charter of the United Nations."
(From the Declaration of Independence)
